Stores General Operative

Our Client, a growing precision engineering company on the outskirts of kegworth, is looking to add to their growing team. This opportunity offers a lot of variety and involves working in the stores department booking materials in and out, picking and packing, as well as occasionally driving the company van to pick up and deliver items (once or twice a week). There will also be the opportunity to support in the assembly/ fitting section where full training will be given. This company has invested Millions of pounds into a state of the art facility with a vast range of complex and up to date machinery. The ideal candidate will be reliable, flexible and will need a driving license. This is permanent role with plenty of overtime on offer. This is a fantastic opportunity to join a growing company who have are happy to provide additional training.
