Stores person/ Warehouse

Hampshire

23-24k

Stores person/ manufacturing warehouse person Urgently required to work for a specialist manufacturing business in Hampshire. This is a key role to the business where you will be ensuring all company stock and non-stock items are received, stored, picked and delivered to internal & external customers. You will be working with and supporting multiple areas of the business a range of departments, providing top level customer service and support.

We are looking for an experienced storeman who has ideally worked within manufacturing environments, Ideally electronics. However the main thing will be experience of working within a busy stores department, working at pace with health and safety and quality at the forefront. This isn't a basic role we are looking for an experienced individual who has the ability to spot opportunities for improvements and make reasonable suggestions to eliminate errors, reduce scrap or damage to parts and improve efficiency.

Stock checking, picking kits, shortages for production,
picking parts for sales orders and despatch

Delivering and collecting parts

Loading and unloading vehicles

Familiar with manual handling and working in a production environment

experience with stock control software preferred, IT Literacy

Good attention to detail - counting, weighing, labelling, listening and executing instructions in a focused and professional manner

Willingness to be flexible within the role to carry out varying tasks as and when needed

Experience handling electronic components in an ESD environment and handling electro-mechanical parts is desirable but not essential This is a 12 month Fixed Term contract.

If you have the above skills and wish to be considered for this position or find out more details then please contact Nathan Woakes on (phone number removed) or submit your CV to alternatively, apply to this advert!
