

United Kingdom Jobs Expertini®

Strategic Sourcing Lead

[Apply Now](#)

Company: Kongsberg Maritime

Location: United Kingdom

Category: other-general

There has never been a more exciting time to work in KONGSBERG than right now. With us, you will be in forefront of enabling the business to achieve their objectives through supporting development of and execute sourcing strategies to drive immediate and long-term improvements in Quality, Cost and Delivery, with engagement and support of key stakeholders. You will be joining the organisation at a time when digital innovation is key to the success of the company, and we want people to help us shape this journey.

Location: Preferably Kraków (Poland), other KM locations in Europe can be considered for the right candidate.

Key accountabilities:

Lead sourcing for all parts in the external supply chain including all new sourcing, supplier contracts, liability claims, supplier negotiations and Make/Buy outsourcing

Establish, develop and implement a supply chain that delivers high HS&E, quality, delivery, cost and responsiveness performance

Be the interface into Product Management IPTs, ensuring purchasing and supplier engagement on R&T, NPI and all re-design requirements

Lead on cost reduction with the supply chain driving year-on-year sustainable cost savings

Lead processes connected with procurement, ensuring compliance across the organisation

Work with the Global Category managers to establish, develop and implement Marine Sector

global sourcing and supplier strategies that include all product and business requirements

Qualifications, skills and experience:

At least 3 years of experience in direct purchasing/supply chain management.

Higher Education (degree in engineering or business administration).

Strong negotiations capabilities.

Understanding of the cost drivers and total cost of acquisition impact regarding selected commodity groups.

Proven track record of sourcing and re-sourcing (including LCC sourcing).

Experience with direct purchasing, industrial categories (e.g. machined parts, hydraulic components, forgings and castings, electrical, automation).

Ability to work in a team and to communicate globally.

Willingness to travel regionally and internationally.

Excellent written and spoken English.

What we offer:

Working in an internationally environment/stable company with established position in Poland and global market

Participation in various development trainings

Unique atmosphere in a team sharing expertise

Employment contract

Attractive salary and benefits

Interesting experience and opportunity for personal development

If you would like to apply for the above-mentioned position, send your CV in English version.

We kindly inform you that we contact only chosen candidates.
