

Structural Design Engineer

[Apply Now](#)

Company: Advance TRS

Location: United Kingdom

Category: architecture-and-engineering

Structural Design Engineer A market leading engineering contractor are keen to expand their specialist in-house design team, due to a significant order book. They have an excellent variety of work that ranges between designing rail station structures, bridges, temporary works and energy/power projects. This would suit an ambitious engineer who would like to work on high-profile projects, for one of ...WHJS1_UKTJ
