

Structural Revit Technician

[Apply Now](#)

Company: Strata Consulting

Location: Henley-on-Thames

Category: other-general

As a leading structural engineering firm with offices across the UK, our client is seeking a talented and motivated Structural Revit Technician with a minimum of 4 years' design experience to join their dynamic team in Henley-on-Thames. They specialise in providing innovative structural solutions for a wide range of projects, including the following residential, commercial, industrial, hotel, leisure, refurbishments + many more!

What is on offer?

Exceptional career development opportunities, with the support to progress to a Senior Revit Technician.

The chance to grow as a Technician, working alongside some of the most creative teams in the UK.

The opportunity to work in the heart of London, with easy access to tube/train stations.

Benefits include: Bonus Scheme – which is based and determined on company and personal performance
The ability to buy/sell annual leave
Hybrid working is available
A helping hand with professional development and with payment of professional fees.
Employee Assistance Programme: this includes free access to counselling, advice in legal, finance and personal matters.

What you need to succeed:

Minimum of four years of experience working with Revit/AutoCAD at a UK design consultancy.

Must have experience in multi-storey design in a variety of materials including steel and RC. Timber and masonry are desirable but not essential.

Strong communication and collaboration skills.

Ability to produce accurate, high-quality Revit models and construction documentation.

To have the ability to design to British Standards or Eurocodes.
