

## Structural Revit Technician

[Apply Now](#)

Company: Minerva Appointments

Location: Leeds

Category: other-general

### **Company:**

This Civil/Structural and Building Surveying Consultancy are one of the largest independently owned organisations in the North and are recognised as a market leader for the disciplinary Consultancy services they provide.

Over the course of their history they have established an outstanding reputation for the expert and professional approach they apply to their projects throughout Yorkshire and the North of England.

Market sectors are not limited to but include:

- ~ **Leisure**
- ~ **Health**
- ~ **Education**
- ~ **Residential**
- ~ **Commercial**
- ~ **Industrial**

They pride themselves on being a “traditional” Consultancy providing their services in a “traditional” manner based on fundamentals that include high levels of dedication, commitment and proven expertise.

**Job Description:**

As their workload continues to grow, they are currently looking to recruit a Revit Technician to be based in North Yorkshire on a contract or permanent basis.

This is a requirement that has only just become available which they are looking to fill as soon as possible.

The ideal candidate will have at least three years Revit experience working on live building structures, and you will be given the opportunity to work on a variety of projects of varying complexity and size with real scope for career progression.

**Person Specification:**

The successful candidate will have the following skills and experience:

- ~Prior experience of working as a Revit Technician on live building projects
- ~Proficient knowledge of Revit/BIM
- ~You must have at least 3 years experience using Revit
- ~Strong attention to detail and excellent communication skills both verbally and written

Minerva Appointments is committed to equality in the marketplace and acts as both an employment agency and employment business.

Location: York, North Yorkshire

Employment Type: Permanent

Salary: £30,000 - £42,000

Minerva Managing Consultant: Marcus Lee
