

Student Nurses - Qualifying September 2024

[Apply Now](#)

Company: South Tees Hospitals NHS Foundation Trust

Location: Stokesley

Category: other-general

Job summary

If you are a student nurse qualifying in September 2024, please do not apply for any other vacancies for South Tees Hospitals NHS Foundation Trust as your application will be automatically rejected.

You should only apply on this vacancy.

Are you a passionate student nurse ready to qualify?

Are you looking to find a fulfilling career in healthcare and be part of a valued workforce?

Do you want to make a difference to people's lives in your community through the delivery of compassionate care?

As an integrated provider we currently have opportunities available in acute care, primary care hospitals and community services right across our Trust.

Come and be a part of the team, which prides itself on excellence and aims to set the national standard for excellence in patient safety, quality and continuous improvement. Our 9,000 staff has an important role in fulfilling this aim, Staff have access to a range of benefits including pension, salary sacrifice schemes, on-site nursery and staff experience initiatives all of which promote staff staffing and wellbeing.

We think working here is great, but here is what one of our September 2021 newly qualified nurses had to say about working at South Tees.

I had placements at South Tees and always felt supported and had lots of opportunity to learn. I am now back as a registered nurse and feel lucky to have ongoing

support , this is so important as a newly qualified nurse

Stacy Wright King -newly qualified nurse (2021),

Main duties of the job

IN YOUR SUPPORTING EVIDENCE PLEASE CLEARLY STATE YOUR TOP 3 PREFERRED AREAS OF WORK ALTHOUGH THIS WILL BE EXPLORED FURTHER AT INTERVIEW STAGE.

My 3 choices are:

- 1.
- 2.
- 3.

Due to vacancies within the trust, you should be open to other areas if your options are not available.

At South Tees we put our patients first always; this guides our values of always improving and working together. If you are dedicated to person centred patient care and aspire to drive excellence in care we want you to join us

Be part of a well led organisation where collective leadership is embedded in all aspects of care and collaboration

Be part of an innovative community who are striving to reach their full potential

Be the one to improve patient outcomes and experience

We are proud to offer newly qualified nurses an excellent start in roles across our specialties supported by a highly developed preceptorship scheme.

We have some great opportunities to set you off on your nursing journey within our varied wards and departments. Developing your skills as a registered nurse with us will provide you with a real foundation for your future whether you aim to become a Sister, Nurse Practitioner, Specialist Nurse or a Nurse Consultant.

We support flexible working and will consider requests taking into account the needs of the service.

Come and join us - your journey starts here!

About us

South Tees Hospitals NHS Foundation Trust provides professional excellence in care within acute and community services across Teesside and North Yorkshire to over million people.

The geographical area within South Tees is an attractive place to live and work situated on the north east of England, it has an international airport and direct trains to London. The stunning views of North Yorkshire and many coastal areas right on our doorstep. It's a great place to live life and work.

South Tees Hospitals NHS Foundation Trust offers leadership and improvement training to all new staff to the Trust; this training programme has been designed to support our leaders in developing their understanding of leadership and management skills. You will be expected to attend the leadership development programme, and the Quality Improvement Programme that the Trust delivers. This programme aims to:

Explore leadership within the NHS

Promote Trust Values and Behaviours

Develop your Leadership effectiveness and skills

Practitioner level in quality improvement, equipping you with the skills to champion, lead and complete quality improvement within your role

After you complete this four and a half days of training you will be able to explore further leadership and improvement training opportunities, we offer further in-house courses dependent upon your role and bitesize programmes and leadership apprenticeships at level 3,5 and 7
