

## Supervisor SVD - Highways

[Apply Now](#)

Company: Balfour Beatty

Location: United Kingdom

Category: other-general

### About the role

Are you looking for a next step in your career? We are looking for a talented **SVD Supervisor** to join our talented **Highways** team and support various schemes around the M25.

This is an amazing opportunity to apply your knowledge and technical skills in a great place to work that encourages growth and development.

### What you'll be doing

Plan and coordinate the installation of stop vehicle detection systems at various locations.

Ensure that installation work complies with relevant regulations and safety standards.

Train staff on the proper operation and maintenance of stop vehicle detection equipment.

Monitor system performance and troubleshooting any issues that arise.

Conduct regular inspections and maintenance to ensure the reliability and accuracy of detection systems.

Collaborate with engineers, technicians, and other stakeholders to improve system efficiency and effectiveness.

Keep detailed records of system installations, maintenance activities, and performance evaluations.

Respond to emergency situations or equipment failures to minimize disruptions to traffic flow

and ensure public safety.

### **Who we're looking for**

Strong knowledge of highways technology works such as ducting, cabinet sites, cable pulling and electrical installations.

Must have Street Works Supervisor Competency.

G39 Electrical Safety Certification.

Flexible to work extended periods during night shifts as needed.

Previous experience with Stopped Vehicle Detection installations (desirable).

### **Why work for us**

Our people are our biggest asset and we focus on recruiting, training and developing the people who can apply innovation to deliver the infrastructure of the future. We nurture these talents, offer a great benefits package in addition to a competitive base salary and continually invest in developing the skills of our people at every level. Some of our key benefits are:

An attractive / negotiated salary

Medical health cover

Company car

42 core base hours per week

25 days annual leave + bank holidays

Pension savings schemes

A whole host of other BB staff employee bens (discounts, exclusive offers etc)

Refer a friend bonus scheme

Discretionary annual salary reviews
