Are you a compassionate and driven individual looking for a career that makes a real difference in people's lives? At Eden Futures, we are dedicated to empowering those with learning disabilities, enduring mental ill health, autism, and other complex needs.

We are eager to connect with passionate individuals who are committed to providing person-centred care. If you have the empathy, resilience, and dedication it takes to enrich the lives of the individuals we support, we want to hear from you! If you haven't worked in care before, we will provide you with all the support required. When you first join Eden Futures, you will be paid for completing a comprehensive Induction Programme involving face-to-face training, e-learning and shadowing experienced members of your team. For those new to care, we will make sure that you are given the support to complete your Care Certificate and gain a nationally recognised Level 2 qualification in Health and Social Care or relevant to your role, partnering with our provider company Paragon Skills.

*Roles are paid at an hourly rate (£11.44 per hour). The salary shown is as a per annum equivalent for information only. The higher rate is applicable to those aged 23 years and over and based on 42 hours per week. NLW applies and will be pro rata'd based on contracted hours.

We are flexible regarding full or part-time hour contracts and we will also consider candidates who may be looking for Bank. Shifts can vary across days, nights and weekends, offering you the flexibility to work around commitments you may already have.

Our application process

Our organisation is committed to safe and fair recruitment, safeguarding and protecting those we care for and serve. We make sure all our staff are vetted, selected, trained, and supervised fairly and to a high standard so that they can provide safe, effective, and compassionate care. As part of our application process, we carry out telephone screening with our candidates.

At Eden Futures we support vulnerable adults and therefore roles that require contact with our service users are exempt from the Rehabilitation of Offenders Act 1974. Before joining us you will be required to have an Enhanced DBS Check. Further information will be provided to you at the telephone screening stage.

As per our privacy notice, all pre-employment checks are carried out by our third-party provider, Adecco.

It's a criminal offence for people who are barred from working in regulated activity to apply for roles that require them to work unsupervised with vulnerable adults.
