Surgical Nurse Needed - Edinburgh - Dayshifts

Are you a registered nurse with a strong background working in surgical wards and looking to join a reputable agency? Then look no further!

We work along side a fantastic private hospital in Edinburgh, and I am looking to speak with nurses who would be interested in doing dayshifts.

If you meet the requirements below and this sounds like the opportunity you have been looking for, get in touch today!

Main Responsibilities

Assess patient health problems and needs, developing and implementing nursing care plans

Maintain accurate patient medical records

Administer prescribed medications and injectable treatments

Instruct and educate patients and their families about health promotion, disease prevention and follow-up care

Assess and coordinate patient's discharge planning needs with members of the healthcare team

Monitor, record and report symptoms and changes in patient's condition

Requirements:

Registered Nurse with NMC registration

Minimum 18 months experience in a nursing role

Nursing Degree

Experience of working in a surgical ward setting

Self-motivated and able to work autonomously

An understanding of the importance of teamwork in delivering the highest standards of care

Highly organised with excellent clinical judgement

What Head Medical Nursing Division can do for you

Dedicated bookings consultant

Excellent rates of pay including holiday pay

Simple registration process

Uniform and name badge provided

Refer a friend scheme (£250 per nurse!)
