Our cutting-edge platform has revolutionised online training and now boasts the world's largest professional development library for educators. We are looking for a passionate in house Talent Acquisition Partner with a proven track record of sourcing great people. As our In-House Talent Acquisition Partner, you will play a crucial role in driving our company's growth by attracting top-tier talent to join our dynamic team. You will be responsible for sourcing, screening, and recruiting highly skilled professionals across various roles. Your expertise in headhunting and including tech hires will be essential in identifying and engaging with candidates who possess the right blend of skills, experience, and cultural fit to contribute to our success. Requirements Demonstrable experience as an in house Talent Acquisition Partner with Tech experience. Strong understanding of employer branding and the ability to articulate and promote the company's employee value proposition. Experience of building inclusivity in campaigns and demonstrating best practices. Excellent communication and interpersonal skills, with the ability to build rapport and establish trust with candidates, hiring leaders and agencies. Proven experience in headhunting and sourcing hard-to-find talent. Exceptional organizational skills and attention to detail, with the ability to manage multiple priorities and deadlines effectively. Demonstrated ability to work flexibly and collaboratively in a fast-paced, team-oriented environment. Familiarity with applicant tracking systems (ATS) and other recruitment software. A passion for talent acquisition and a drive to deliver

exceptional results. Responsibilities Strategic Talent Acquisition: Collaborate with hiring managers and senior leadership to understand current and future talent needs, develop recruitment strategies, and create job descriptions tailored to attract top talent and align with business goals Candidate Sourcing and Screening: Utilise a variety of sourcing techniques, including direct sourcing, head hunting, social media, networking, and referrals, to identify and engage passive and active candidates. Conduct thorough screenings and assessments to evaluate candidates' qualifications, skills, and cultural fit with a bias to direct hiring at pace. Tech Hiring Expertise: Leverage your knowledge and experience in tech hiring to effectively recruit candidates for software development, engineering, data science, IT, and other technical roles. Stay updated on industry trends, technologies, and best practices to ensure a competitive edge in attracting tech talent. Headhunting and Talent Pipelining: Proactively identify and approach high-potential candidates through targeted headhunting efforts and talent pipelining initiatives. Build and maintain relationships with passive candidates to create a robust talent pipeline for future hiring needs. Candidate Experience: Provide an exceptional candidate experience throughout the recruitment process, from initial contact to onboarding, ensuring a positive and seamless experience for all candidates. Serve as a brand ambassador, representing our company culture, values, and opportunities to prospective candidates be they external or internal. Collaboration and Communication: Foster strong partnerships with hiring managers, cross-functional teams, and external recruitment partners to effectively align recruitment efforts with business objectives. Provide regular updates and reports on recruitment metrics, progress, and challenges to stakeholders.
