I recently moved to Germany as my boyfriend lives there, and I started learning German few months ago using Duolingo and YouTube.

My boyfriend family only speaks German, so my intention of learning German is to be able to speak with my boyfriend family, and to get to B1 level for permanent residency in 2 years, so I am looking to work on my conversation, as well as improve my overall language.

I am also considering having two tutors, one for conversation, and one for Grammar, text book, etc please let me know if that's align with your teaching methods. thanks,
