

## Teacher of Business Studies and ICT

[Apply Now](#)

Company: Leigh Academies Trust

Location: Dartford

Category: other-general

Students at The Leigh UTC **“are proud to attend a school that is realising its vision of ‘developing STEM professionals for the future global market’”** Ofsted, 2022.

The Leigh UTC opened in 2014 with state-of-the-art facilities. We are the first UTC to join a multi-academy trust, to become an IB World School, to be built in Kent and among the first Academies in the UK to offer T-levels and Level 3 and 4 apprenticeships. We were the first UTC to open from Year 7 and have been oversubscribed in all year groups ever since, now serving over 800 young people from Kent, Medway and South-East London. We are a pioneering Academy and are looking for like-minded, ambitious people who can make great things happen for the young people in our community.

We are seeking to appoint a Teacher of Business Studies and ICT from September 2024.

You will be required to keep abreast of educational theory, to inform your teaching, understand the value of knowledge in the curriculum and the ability to apply that knowledge in a contextual manner.

This is a truly fantastic opportunity for a passionate teacher to become part of a well-established, highly collaborative and successful academy as we are confident that our teaching and support teams, our facilities and most importantly our students will inspire you.

As an IB World School, applicants that have previous experience in delivering IB are of strong interest to us, but please note that this criterion is not essential as training will be offered.

We're keen to hear from you if you are:

An excellent teacher with an outstanding record

Collaborative, building strong professional relationships

Able to motivate and inspire students to achieve their full potential

Energetic and have a 'can-do' attitude

Someone who has a measurable impact as an individual teacher and throughout the school

**Why work for us?** At The Leigh UTC, we create opportunities for meaningful collaboration for staff, we provide a respectful working environment and we encourage innovation from every member of our team. Our Principal, Governors, teaching and support staff believe wholeheartedly in creating opportunities for lifelong success for our young people and believe that exam success is just one aspect in achieving this. We deliver amazing experiences for students whilst not compromising on outcomes. Our teamwork allows us to be greater than the sum of our parts - join us to achieve more than you thought possible.

Don't just take our word for it...

Curriculum is king and we do things a little differently to other schools or colleges because we believe the most effective way to educate our students is to make our learning more hands-on. With the International Baccalaureate Middle Years programme (MYP) at KS3, GCSEs at KS4, and A-levels, T-levels and the International Baccalaureate Careers Programme (IBCP) at KS5, our ambitious curriculum offer caters for choice, leading the vast majority of students into STEM-related careers or courses.

Do you know a great teacher who would like to hear about opportunities with Leigh Academies Trust? If so, make a referral today for the chance to receive **£100** as a 'thank you'. Simply complete the referral form by T&C's apply.

**Being part of Leigh Academies Trust:** As of 1st April 2024, our Trust comprises 32 geographically organised academies (16 secondaries, 14 primaries and 2 special) educating more than 20,000 students and employing 3,000 talented staff. Nearly 40% of our academies are judged outstanding overall by Ofsted, versus 15% nationally. The Trust is establishing four 'clusters' of academies: North Kent; Central Kent; South East London; Medway. In addition, the Trust is responsible for one of the region's biggest initial teaching training organisations, a large teaching school hub and is an accredited apprenticeship provider. .

As part of Leigh Academies Trust, you will have ample opportunity to collaborate with your peers both within the academy and across the whole Trust. This is an important part of our

vision as we know through experience that we perform better when we work together. You are supported to undertake regular self-development to continue your professional development and hopefully progress further within the organisation.

**Our commitment to safeguarding:** Leigh Academies Trust and all of our academies are committed to ensuring the highest levels of safeguarding and promoting the welfare of our pupils, and we expect all our staff and volunteers to share this commitment. We adopt a fair, robust and consistent recruitment process across all academies and business units which is inline with Keeping Children Safe in Education guidance. This includes online checks for shortlisted candidates - you can read more about this in our Recruitment Guidance. All offers of employment are subject to an Enhanced DBS check, references, and where applicable, a prohibition from teaching check.

**Our commitment to equality and diversity:** As a Trust, we are passionate about diversity and recognise that as individuals, we all bring something unique to the role regardless of any protected characteristics which is why we treat all of our people equally, without compromise. We are committed to providing equality and fairness throughout our recruitment and employment practices and not discriminating on any grounds.

**Based on the quality and quantity of applications received, Leigh Academies Trust reserves the right to close this vacancy sooner than the specified closing date. Applicants will be notified of this where possible. Therefore, early applications are encouraged.**
