About Us

For the start September

Would you like the opportunity to work as part of a team of highly experienced and ambitious colleagues? Graveney is an extremely popular and successful - School, situated in South West London, SW with the benefit of being situated in beautiful campus style surroundings with excellent facilities and a warm community atmosphere. We have a commitment to providing the best opportunities to all students and to developing the professional skills and career opportunities of our staff, within a supportive and collaborative environment

Designated 'outstanding' by Ofsted in November and widely recognised as one of the top state funded schools in the country.

"Top performing local school again, based on an aggregation of the five key accountability measures..." The Times

We invite you to join a department focused on delivering a Mathematics curriculum which provides opportunities for learners of all abilities to succeed. As a flexible practitioner, you will teach across a wide ability range while maintaining high expectations for all learners.

The department is dynamic, supportive and successful with a long history of excellent results.

In half of our GCSE results were - and % at grade - . The popularity of the subject at post is evidenced by the fact that over students study Mathematics at either A or AS level with courses in Maths, Further Maths and Core Maths. You will teach across the full age range from KS to KS.

We are seeking to recruit a teacher to join our highly successful department from September . Applications are welcome from Early Career and experienced teachers who have high standards, commitment and passion for the subject. As a collaborative department with a real team ethos, we are seeking someone who will both add to the team and be open to support and regular feedback.
