### Job description

### Job description

This is an exciting opportunity to join a successful school with bold plans for the future. We are seeking an ECT or a more experienced practitioner to inspire pupils and work towards our main priorities for them to be happy and to achieve – and in that order.

Lincoln Minster School is a lively and dynamic independent school set right in the heart of the historic city of Lincoln. Facilities are good and opportunities for professional growth are

determined by your aspirations and imagination.

We are looking for a subject teacher of Spanish on a full or part-time basis. There may also be the opportunity for additional pastoral responsibility and/or some teaching in our Prep School for the right candidate.

You will have the skills and experience to teach to the highest of standards academically, as well as to contribute to our busy co-curricular programme outside of the classroom. You will show a commitment to innovation and a wish to contribute to all aspects of the development of Spanish and will also be a dedicated team player who strives for excellence by example.

The School is part of the United Learning group of schools, the largest and most influential schools group in the UK. We are committed to equal opportunity, diversity and inclusion, and provide significant employee benefits.
