I came across your profile and would love to see if we're a fit for you! I have twin daughters (age 6, soon turning 7,) and I would love to have them learn more about the French language, grammar, conversational French etc.

We are Canadians now living in the UK, and would love to continue with French as a second language. Do you ever offer lesson combined? I think 50 min with them together could work really well.

Perhaps they could even practice when they get better :) Would love to book a trial if you're open to it. Sincerely Brittany
