Tutoring jobs in Online: Arabic.

Specialties: General.

Age range of target audience: Not Specified (1-100).

Hello, I am a 30-year old from England.

I have been interested in learning Arabic for a few years now and I have decided it is time to start.

My interest was sparked by two work trips to the Middle East.

I am now hugely intrigued by the Arabic language and cultures.

I have absolutely no prior experience of the Arabic language.

I would like to commit 2-hours per week of tutoring and an additional 1-2 hours per week private study.

Splitting my time between learning to speak and read the language.

Please contact me if you are able to help.

Thank-you in advance.

Responsibilities:

Ensure friendly and interactive instruction that encourages the student to learn with passion.

Make sure to be on the same page with the student and their expectations.

Carry out lessons focusing on the student's abilities to communicate in the language being taught.

Requirements:

Be attentive to the student's improvement in learning Arabic.

Be reliable and stick to the agreed schedule with the student.

Critically identify suitable learning paths for the student.

We offer:

Work according to your own flexible schedule.

Experience of teaching students from all over the world.

Friendly and creative international team.

Salary based on your working hours.
