Hello, I am a 30-year old from England.

I have been interested in learning Arabic for a few years now and I have decided it is time to start.

My interest was sparked by two work trips to the Middle East.

I am now hugely intrigued by the Arabic language and cultures.

I have absolutely no prior experience of the Arabic language.

I would like to commit 2-hours per week of tutoring and an additional 1-2 hours per week private study.

Splitting my time between learning to speak and read the language.

Please contact me if you are able to help.

Thank-you in advance.
