Company: Preply

Location: United Kingdom

Category: other-general

Tutoring jobs in Online: R.

Specialties: General.

Age range of target audience: Not Specified (1-100).

My daughter is studying undergrad psychology.

They use R language via programme called Posit Cloud.

We have found it very difficult to find a tutor for her- i dont know why.

We need someone urgently to help her with a study write up as she is stuck on the coding and cannot move forward with it until it is understood.

So there is a time urgency for this project but she will also want help moving forward too.

Our requirements for a tutor are to speak good English and able to explain clearly and simply and also who is proficient at R and willing to use/posit cloud.

Please let me know if you are able to offer what we are looking for? Ideally need a tutor asap before 11th April

Responsibilities:

Maintain a high energy level and a positive mindset.

Adapt curriculum to provide for the needs of the student.

Help the student to improve their R skills.

Requirements:

Must have knowledge of up-to-date tutoring practices and methodologies.

Relevant tutoring experience (an advantage).

Must have willingness to follow the company's policies and procedures.

We offer:

Work according to your own flexible schedule.

Experience of teaching students from all over the world.

Friendly and creative international team.

Salary based on your working hours.
