Tutoring jobs in Reading, UK: Italian.

Specialties: General.

Age range of target audience: Not Specified (1-100).

Lovely to meet you! My name is Suzy and I'm from the south of UK.

I'm a superyacht stewardess and based in the Mediterranean, predominantly in Genova port if you know? I was hoping to learn from yourself conversational and business lingo to be able to work my way up in rank on the yachts and being bilingual on the yachts does you tricks! Gets you far and looks impressive when you're able to chat in front of the guests/owners for the ease of everything.

I am definitely more a visual learner, so looking at more verbal than written in Italian but of course if your tutor methods include that I will not knock it.

My last tutor (Spanish) didn't have any other ways to teach me and unfortunately I lost touch with the language but working with Italian crew and have picked up the bare basics think its best to pursue - I'm juggling learning nepalese at the minute also for my partner - but Italian is the language I would love to learn.

Sorry for the mouthful haha! Many thanks :)

Responsibilities:

Teach the student using study materials and aids with clarity.

Discuss and understand the objectives of the student before starting lessons in Italian.

Check improvement of the student at regular intervals.

Use engaging learning methods to challenge the abilities and skills of the student.

Requirements:

Must be able to analyze the thought process of the student and encourage discussion and debate.

Must be aware of modern tutoring methodology.

Must be positive, well-mannered and approachable.

Must be comfortable working with students from diverse multicultural environments.

We offer:

Work according to your own flexible schedule.

Experience of teaching students from all over the world.

Friendly and creative international team.

Salary based on your working hours.
