I work for an organisation called Scanmetals UK Ltd in Willenhall, West Midlands, UK.

We are in the process of opening up a branch in Spain too, and would like to open up the opportunity for secondment for UK employees to go to our Spanish branch on either a short or long term basis to get the plant up and running and deliver training to new employees.

We are seeking a native Spanish speaker who can deliver up to 5 hours of sessions per week on site in the evenings to no more than 4 employees at a time and somebody who can also come up with a glossary of terms and phrases relative to the jobs they will be training.
