### Description

Team leader - Principal/ Associate.

8 years + experience

Birmingham

My client is an employee owned and award winning engineering consultancy. They take pride in the positive impact we make on the world around us and have delivered practical and innovative solutions for over 60 years, building a better future for everyone.

Joining them means more than just being involved in project delivery - it means becoming part of a warm and welcoming team, where your skills can evolve, your career is nurtured and they work together to create a lasting legacy.

### The Role:

They are looking for a Principal Engineer or Associate to lead and grow their Structures Team in Birmingham. The team of five Engineers and Technicians currently operates within a wider hub of approximately 50 technical staff across three offices. They work on a diverse range of projects including those in healthcare, commercial, industrial, residential and education with project values of up to £m+. They are well known locally for working on projects like The Collaborative Teaching Laboratory for the University of Birmingham, Moorways Sports Village & Waterpark in Derby and Exchange Square.

You will be a trusted mentor and role model, providing technical guidance and enhancing the development of the team.

#### The Right Fit:

Someone who has experience leading and managing projects of all sizes; including developing design delivery programmes with an understanding of and proven involvement in managing project finances and controlling WIP, debt and profitability.

You will have leadership skills and be a positive role model for the people around you.

You will be a chartered engineer or be actively working under a recognised professional Institution training pathway and close to chartered status.

Above all the right fit will be guided by what is right when making decisions, who recognises the contribution of others and shares their successes. Someone who is kind, conscientious and has pride in their work and the legacy our profession leaves for everyone.

#### The Extras:

- \* 7% pension
- \* Life insurance (x5 of basic salary)
- \* Birthday leave
- \* Flexible working
- \* Savings on Electrical car's (up to 60%)
- \* Enhanced parental leave
- \* Mediacash
- \* 5\* Holiday Lodges available
- \* Award winning training and development programmes

They are looking for someone that can work as part of a team, who enjoys a challenge and problem solving, someone who is passionate about engineering and the built environment.

This is an excellent opportunity to join an Engineering Consultancy that values its staff and offers excellent career development opportunities.
