

Technical Author

[Apply Now](#)

Company: Electus Recruitment

Location: United Kingdom

Category: other-general

Your background working on Technical Documentation will prove a real impact for my client. They are a leading, award winning supplier of Technical Authoring, Training, NATO Codification, Inventory Optimisation, Obsolescence Management and Integrated Logistic Support services to government, industry and commercial clients throughout UK and Europe.

To be suitable for this role you will have:

Strong working knowledge of Microsoft Office platforms

Experience of the production and presentation of technical information

Experience working as a Technical Author/Writer in the defence or Aerospace industries

Capability to evaluate and appraise source technical information

Due to the nature of work undertaken at our client's site, incumbents of these positions are required to meet special nationality rules and therefore these vacancies are only open to sole British Citizens. Applicants who meet this criteria will also be required to undergo security clearance vetting, if not already security cleared to a minimum SC level

Electus Recruitment Solutions provides specialist engineering and technical recruitment solutions to a number of high technology industries. We thank you for your interest in this vacancy. If you don't hear from us within 7 working days please presume your application has been unsuccessful on this occasion. You are of course free to resubmit your CV/details in the

future and we shall assess your suitability at that time.

Location: UK wide (Client will offer fully remote home working)

Salary: £30-36K DOE

This role is a permanent position
