Technical Manager

Company: HAYS

Location: Armagh

Category: other-general

Requirement for a Technical Manager in County Armagh

Your new company

Your New Company is a well-established and reputable food supplier based in Co. Armagh, seeking a dynamic

Technical Manager to join their team. With a commitment to delivering the highest quality product to their customers, this company has been a trusted name in the industry for decades.

Your new role

As the Technical Manager, you will play a pivotal role in ensuring product quality, safety, and compliance. Your responsibilities will include: overseeing quality control processes, from sourcing to distribution. Collaborating with production teams to maintain rigorous standards. Implementing and managing food safety protocols. Conducting regular audits and inspections. Liaising with suppliers and regulatory bodies.

What you'll need to succeed

The ideal candidate should have a proven track record in food production or meat processing with a knowledge of industry standards, HACCP, and quality assurance. You should have strong leadership skills with the ability to motivate and lead cross-functional teams. You should have attention to detail with a keen eye for quality and compliance.

What you'll get in return

In return for your expertise and dedication, the company offers a competitive salary reflecting your skills and experience. The company offers career growth with opportunities to advance within the organisation, and offers a work-life balance in a supportive work environment.

What you need to do now
