## Technical Services Manager

Are you passionate about achieving results, problem solving and leading a team to provide a first-class technical team?

Our Lincoln Prepared foods site is recruiting for a Technical Services Manager to join our enthusiastic team.

This role is important to support the drive for continual improvement of food safety. This role is to manage the Technical Services function for the prepared site, supporting all aspects of the technical function. This will include; Raw materials, packaging control, quality systems and technical administration.

Building internal and external strong working relationships will be imperative to this role.

You will need to work closely with our Production Team and demonstrate teamwork when working together to resolve issues.

Lincoln Closing Date: 03.08.23
