

## Technical Support Engineer - Southern England

[Apply Now](#)

Company: KUHN

Location: United Kingdom

Category: computer-and-mathematical

**The KUHN Group is hiring a Technical Support Engineer for its UK site.**

Your duties will include, but are not limited to:

Providing after sales / technical support to our dealer network

Communicating with the factories on product issues

Delivering technical training to our dealer network

Demonstrating and training operators in the use and maintenance of Kuhn products

Processing of warranty claims for your territory

Requirements for this role:

Strong practical agricultural engineering background, preferably with a formal qualification in this area

Sound technical knowledge of electronic and hydraulic diagnostics

Ability to communicate clear and concise information at all levels

**You should have a clean driving licence and be prepared to undertake travel within the UK and overseas.**

**Benefits:**

A very competitive remuneration package will be awarded to the successful candidate which will fully reflect the importance of this role within our organisation. The following additional benefits will also form part of the package:

25 days holiday plus statutory bank holidays.

Company car.

Private medical and dental cover.

Death in service benefit.

Income protection cover.

Enhanced company pension contributions.

Employee assistance programme.

Employee benefits platform.

If you are interested and meet these requirements please click **Apply** below to submit your CV along with a covering letter.
