Technical Writer

Remote working

3 Month contract initially + Extensions

Market Rates (Umbrella-PAYE)

We are working with a leading consultancy, a long term client and a market leader in their field. We are looking for a Technical Writer to join the team on a great programme of work. Please note the role requires Security Clearance up to SC level.

Key Skills / Experience:

- \* Support the development of blueprints under the DDaT IT Strategy.
- \* Experienced Technical Writer who has GOV.uk experience working with technical content and technical resources.
- \* Ability to work independently, develop plans to execute and align key stakeholders.
- \* Experienced with confidence to take ownership of the project, define the requirements and work with key SME's.
- \* Drive change with key SME's and stakeholders, often challenging.
- \* Define a strategy for the product, driving change with the stakeholders.
- \* Ability to challenge decisions and work independently, managing the expectations of the team and stakeholders.

This is a fantastic opportunity on a great programme of work. An exciting opportunity to lead, define and really own this piece of work.

Apply now for your CV to reach me directly and we will reply as soon as possible.

Due to the nature and urgency of this post, candidates holding or who have held high level security clearance in the past are most welcome to apply. Please note successful applicants will be required to be security cleared prior to appointment which can take up to a minimum 10 weeks.
