## Information about the site

**LINDAL Valve Co. Ltd.** is located in a market town in Bedfordshire with good access to the M1 and A5 and public transport.

We are a specialist in the design, development, manufacture and supply of aerosol dispensing packaging solutions tailored to meet a broad spectrum of customer needs and market applications.

Our product offering includes a comprehensive range of valves, actuators, barrier packs and associated accessories that address the technical and aesthetic dispensing requirements, enabling customers to differentiate and excel in an increasingly competitive marketplace.

## About us

**LINDAL Group** was founded in 1959 and today is one of the world's market leaders in aerosol packaging technology. We offer a broad range of standard and custom aerosol packaging solutions and have become a partner of choice for many of the world's most prestigious, innovative and trusted brands.

Together with our multinational, highly skilled experts and thorough understanding of the current market trends, the company consistently delivers innovative solutions to increasingly complex and long-term projects globally.

Our wide-ranging portfolio offers quality packaging solutions for personal care, household, health care, food and technical industries.
