

Temporary Production Worker / Operative

[Apply Now](#)

Company: XCL Management Global Recruitment

Location: Chadderton

Category: other-general

We are working with a well established company who specialise in quality brochures and high quality commercial printing. They are based in Oldham and due to an influx in work they are looking for experienced production staff to join them on a temporary basis.

The role will involve finishing products to a high standard and some of the work will be delicate and intricate.

It will also require excellent reading skills as part of the process will require products and numbers to be matched up correctly.

This isn't a role to be rushed as they pride themselves on the quality of finish.

Hours: Monday to Friday 8am - 5pm and will be 37.5 hours per week.

Please note this is a temporary role likely to last between 3 - 4 weeks but will depend on the candidates reliability, performance and the workload.

Should you like more information on the role please apply or contact our Huddersfield.
