Company: Anderselite

Location: West Yorkshire

Category: business-and-financial-operations

Due to an increase in work, our client, a leading Tier 1 contractor is seeking to employ several Temporary Works Coordinators to work on a high profile Railway civil engineering scheme in the West Yorkshire region.

We are interested in speaking to individuals that have previous experience of undertaking these duties or are looking to be involved in the more technical aspects of the project.

Candidates will ideally hold :

- TWC qualification
- Civil engineering degree or equivalent
- Familiar with Network Rail Standards
- Previous experience working within the railway/civils environment
- Member of a relevant professional body (ICE or similar) with chartered status and educated to degree level, unless significant experience in the role has previously been recognised
- Demonstrable experience of managing Temporary Works on civil engineering projects
