Test Technician

**£25,000 - £32,000 per annum DOE + Training + Progression+ Overtime + Benefits
+ Pension + Holidays**

**Located in Gillingham (Commutable from: Rochester, Sittingbourne, Gravesend,
Longfield, Aylesford, Maidstone)**

Are you a Test Technician looking for a chance to expand your skills, boost your income with overtime, and join a dynamic and expanding company?

On offer is the chance to work for a well-established business, where you can grow your skill set and have the chance to significantly develop your career.

This company is a specialist in the industry and have earned an exceptional reputation. They are an industry leader in fuel systems products, and due to their growth, they are looking to expand their engineering department.

It is a Monday - Friday role, where you will be testing engines and checking their performance, mechanical installations, maintenance of the facilities and editing test programs. An ideal candidate would have previous automotive experience, mechanical

experience, knowledge of engines or fuel injection systems.

This is an excellent opportunity to work for a specialised, stable company who are recognised for looking after their employees, as well as providing excellent benefits and the chance to develop your career.

The Role:
