TIG Welder

Salary: £12.97 - £15.11 per hour

Location: Cowley, Oxford

Schedule: Monday - Thursday (06:00-16:00)
(16:00-06:00)

Client overview

Our client located in the heart Oxford as well as operating across Europe, Asia and America are a specialist in exhaust technology and acoustic solutions.

With one goal in mind our client is aiming for clean and quiet mobility for the future by improving air quality and reducing noise emissions around the world.

The TIG Welder role will involve but is not limited to

TIG welding of exhausts systems.

Following high standards and company procedures.

Spot checks, quality assurances and self-inspection of the standard of welds.

Undertaking all other production and warehouse tasks as required.

Following all health and safety policies and procedures to strict guidelines. This is an ongoing full-time position. The shifts are on a fortnightly rotation. Rotation as follows:

Early shifts 06:00 to 16:00

Late shift 16:00 to 02:00

Pay rates for the shifts are as follows:

Early = £12.97 per hour

Late = £15.11 per hour

Overtime paid at X1.5 after 40 hours per week.

Applicants must be flexible in their availability. Overtime will be necessary when business requirements arise. TIG welding coding certificate not required but previous experience is necessary.

If you wish to apply for the TIG Welder role, please get in touch with Stephen in our Didcot branch.
