

Town Planner

[Apply Now](#)

Company: Penguin Recruitment

Location: Derby

Category: architecture-and-engineering

The Company

My client, an established Planning, Environment, and Design consultancy, who specialise in housing, employment, commercial, minerals and waste management use, energy & renewables, industrial and infrastructure sectors.

Due to significant growth in business, the client is looking for an ambitious Town Planner to join the Planning team in Darby. The successful candidate will have an excellent opportunity gain knowledge from sector leading professionals, to progress their career and work on exciting projects

The Position as a Town Planner

The position as a Town Planner is for a proactive individual. The successful candidate will have a full or licentiate membership with the RTPI, and relevant consultancy experience. As a Town Planner, you will be meaningfully engaged in conducting research and site appraisals, prepare, submit, and negotiate planning applications, respond to development plan consultations, and be confident working independently and in a team.

What is on offer for a Town Planner?

Attractive highly competitive salaries

Strong benefits package including discretionary bonus, insurances and RTPI fees paid

25 days annual leave per year, plus bank holiday

Excellent working environment with flexible working schedule

Excellent reputation in the market as being a good employer and providing opportunities for career progression

RTPI accredited town planning degree or relevant

Chartered (working towards) Member of the RTPI

Have good communication and an enthusiastic mentality.

Demonstrable previous experience.

Have a genuine interest and enthusiasm in planning. Interested?

The hiring manager is looking to meet with Town planning candidates ASAP, so if you meet the above criteria, please contact Tamzin Warren-Vimpany on (phone number removed) or at . We have many more vacancies available on our website at .

This is a permanent role.

Penguin Recruitment is operating as Recruitment Agency in respect to this position.
