Trainee Biomedical Scientist (Apprentice) Various Locations £24,000

Job Title Trainee Biomedical Scientist (Apprentice)

Location Various Locations

About us:

Sonic Healthcare is an internationally renowned healthcare provider with a demonstrable track record of medical across the world. Headquartered in Sydney, Australia, Sonic is an ASX Top 50 company that has grown to become one of the world's leading healthcare providers, specialising in pathology, radiology and primary care medical centres. We have operations in Australia, the USA, Germany, Belgium, Switzerland, the United Kingdom, Ireland and New Zealand.

Sonic Healthcare UK encompasses the two main entities in the UK, The Doctors Laboratory (TDL) and Health Services Laboratories (HSL). HSL is a partnership between The Doctors Laboratory (TDL), Royal Free London NHS Foundation Trust and University College London Hospitals NHS Foundation Trust (UCLH). HSL was formed to provide pathology services to the NHS Trusts and has expanded further to provide services to other NHS Trusts. Over 2,500 staff work at Sonic Healthcare UK, primarily under the TDL or HSL banner.

Our purpose is to deliver medically-led diagnostics, innovation, value and long-term

investment to healthcare. With our core laboratory based at The Halo Building in London WC1H 9AX, we also have an expanding site in Manchester as well as smaller hospital-based laboratories across the country. We maintain rigorously high standards of quality, whilst also delivering efficiencies to healthcare through careful workforce planning, pioneering technology and significant investment in infrastructure and IT.

About the role:

This is an exciting opportunity to join our apprenticeship programme and train to become a Biomedical Scientist.

You will join the organisation as an Apprentice Trainee Biomedical Scientist. During the course of 4 years, you will complete a part time degree in biomedical science while working in one of our pathology laboratories. You'll be supported through a comprehensive training programme to gradually build up your knowledge and skill set to achieve HCPC registration as a Biomedical Scientist.

Biomedical scientists work in healthcare laboratories diagnosing diseases and evaluating the effectiveness of treatment by analysing fluids and tissue samples from patients. They provide the 'engine room' of modern medicine - 70% of diagnoses in the NHS are based on pathology results provided by laboratory services.

Upon graduation we will have opportunities within the business for you to move into a permanent qualified biomedical scientist position.

The starting salary will be £24,000 with all universities tuition fees paid for by the organisation.

At Sonic Healthcare UK we offer a variety of excellent staff benefits including:

- **Training and development opportunities** supporting professional development
- **Annual performance related salary review**

**• No banding restrictions: **As we are a private company we are not restricted by salary bandings and so are able to negotiate appropriate salaries based on experience. This also means that annual salary reviews do not hit a band ceiling

- **Discounted gym membership** – we have a corporate gym membership scheme with

Better Gyms

- **Cash healthcare plan** cash back on a variety of healthcare costs including dentist and opticians
- **Sick Pay Entitlement** – 5 paid days in the first year of employment, 20 days thereafter
- **Permanent Health Insurance and Death in Service Cover**
- **Life Assurance** – providing salary continuation for long term illness (six months qualifying period)
- **Employee Assistance Programme** – supporting staff wellbeing
- **Season Ticket Loan Scheme** – interest free loan for the cost of annual travel ticket
- **Perkbox** – Access to additional staff perks and benefits such as high street discounts
- **Company Pension Scheme** – company and staff contributions which increase with service
- **Competitive annual leave allowance** 28 days
- **Flexible working hours** – 37.5 hours standard working week
