

Trainee Bridge Inspector

[Apply Now](#)

Company: RSK Group

Location: Crewe

Category: other-general

Up and Under Ltd a member of **RSK Group** are an engineering consultancy, undertaking inspections and surveys of various buildings, bridges and other structures within the transportation, utilities and building sectors. We now have unique opportunities for a **Trainee Bridge Inspector** within our team **Crewe, Cheshire**

Full training will be provided to enable you to undertake inspections, surveys and investigations of various structures. Working closely with other team members, your job may involve working at height or in confined spaces, so you will need to have a reasonable level of fitness. When you are in the office your time will be spent assisting with the preparation for projects and reports for our clients.

Responsibilities:

Assisting with the preparation of projects

Carrying out works in accordance with the project brief and instructions from the Project Manager

Maintaining accurate records of actions during works

Assisting with the preparation of reports

Adherence to company safety, environment and quality management system procedures and safety culture.

The role will involve a combination of office and site-based tasks with this balance

varying dependent on company needs and current project profile.

Candidates will need to be prepared for working away from home on a regular basis with travel throughout the UK, thus a clean full UK driving licence is essential. Night and weekend work will be required on occasion.

Qualifications and Experience:

No previous experience is required; however candidates will need to have an interest in developing a career in the engineering sector.

Essential Requirements:

Full UK driving licence

Ability to work as part of a team

Organised and motivated self-starter

Strong attention to detail

Good time keeping

A good level of fitness

Motivated to achieve professional development

A desire to embark on an exciting career path

Comply with our drug and alcohol policy

Desired requirements:

GCSEs or equivalent in Maths and English

Communication and presentation skills, both written and oral

IT skills including MS Office

An interest in civil engineering
