

Trainee Fire & Security Inspection Engineer - Ref99100

[Apply Now](#)

Company: Marlowe Fire and Security

Location: United Kingdom

Category: other-general

Trainee Fire & Security Inspection Engineer

We are looking to appoint a number of Trainee Planned Preventative Maintenance Engineers within Victory Fire, part of Marlowe Fire & Security Group throughout various locations across the UK.

No experience is necessary as our in-house Training Academy will give you the skills you need to work in our exciting business and kick-start your new career.

The Role

You will be trained to service a wide variety of fire and security systems all located within a compact geographical area. You will be provided with a company van and all the tools that you need to carry out your work.

This is an entry level role in the fire and security industry, but continuous development opportunities will be available for candidates that decide they want to become a fully qualified fire & security engineer.

Requirements

These are Trainee roles within the business; therefore, we are not looking for candidates who are already experienced in these disciplines. We can provide the training you need to start your career in the Fire & Security Industry.

We are looking for candidates who can demonstrate the following attributes:

Willingness to learn and develop within a growing organisation

Great attention to detail

Professional and presentable at all times

Be able to deliver exceptional customer service

Must be able to perform well as an individual as well as part of a team

Must have a positive attitude.

Full driving licence - mandatory

Benefits

How we Attract, Reward & Retain Our Employees

As part of the Marlowe Fire and Security team you will have access to some great benefits including:

Basic salary

Company Van & Fuel Card

Company Tablet and Mobile Phone

Pension

Employee Recognition Scheme

Paid Referrals Scheme (up to £1,000 per successful candidate referral, unlimited referrals)

Paid Holidays and Bank Holidays

Birthday Holiday

Mental Health Support Scheme

Long Service Award (increments of 5 years)

Development & Progression opportunities throughout your career should you wish to progress to a fully qualified engineer.

Our business model is built on promoting from within, therefore all candidates who join our

ever-expanding business are encouraged to learn, grow, develop and progress in a direction that suits your ambition. At Marlowe Fire and Security Group, we consider ourselves to be the employer of choice in the Fire & Security industry, we hope you will agree!

Victory Fire

Victory Fire has been in operation since 1992. Since this time, we have built a solid reputation for both quality and service and have provided our products and services to many customers in the London area and the Home Counties. We are committed to providing security and enhancing safety for businesses of all sizes. When you use our services, you can benefit from expertise and experience as well as an excellent reputation and peace of mind.
