Trainee Quantity Surveyor

Plymouth / Exeter

Sphere Solutions is recruiting a Trainee / Graduate Quantity Surveyor to join a long-standing contractor to work across the Plymouth area. You will join a team of commercial professionals to assist with the commercial running of projects across the region. The projects will be varied including refurbishment works of a variety of projects including; listed / heritage, defence, commercial, and education.

This role would be suitable for graduates with either an HNC/Degree in construction or finance/economics looking for their first role in Construction/Surveying. Equally, candidates with some commercial experience are encouraged to apply.

Key Responsibilities:

As a Trainee Quantity Surveyor, your duties will include:

- \* Assist the commercial team with their daily tasks and duties.
- \* Assisting with subcontract procurement

- \* Assist with valuations and commercial administration / raising PO number.

- \* Subcontractor payment management

- \* Site Measurements and valuations

Suitable candidates will possess the following:

- \* HND / Degree qualification or equivalent profession industry standard

- \* Full training and support is on offer

- \* Excellent IT skills, in particular Excel are essential,

- \* Full driving license

Offering ongoing works local to Plymouth with an option of a company vehicle or car allowance.

To Apply:

For an informal discussion please call Jo Lambert or apply as instructed.

Sphere Solutions are one of the South West & Wales market leaders in providing recruitment services to the built environment. With specialist consultants based in our regional offices (Bristol, Cardiff, Taunton, Plymouth and St Austell) we fill vacancies daily with contractors, developers, civil engineers and their supply chain in high volume with quality candidates.
