

Trainee IPAF Instructor

[Apply Now](#)

Company: Nationwide Platforms

Location: London

Category: arts-design-entertainment-sports-and-media

We are looking for the next shining stars to join the team here at Nationwide Platforms as Trainee IPAF Instructors. As part of the wider training team, you will be required to partake in an intensive trainee instructor programme in order to build the skills needed to deliver training courses to internal and external delegates across multiple sites. This is a brilliant opportunity for an enthusiastic, natural teacher (with a steady head for heights!) to train as an Instructor, or for someone who already has their IPAF licences and fancies an alternative career in the world of Powered Access.

If successful after training, you will then be qualified to deliver a variety of courses to our customers and employees throughout our network. Reporting to the Training Instructor Team Leader (regionally), you will be supported throughout the training period by our highly qualified senior instructor team, and, once certification has been gained, will receive an uplift in salary accordingly.

Please note that this role will include regional travel once qualified (company car or allowance is offered as part of the package), and there will also some national travel during the training period.

Key Tasks

Regular travel to depots in the region (South East) to deliver IPAF and PASMA training courses to delegates.

Being an ambassador for quality health and safety including the well-being of customers where required.

Ensure all courses are carried out to the standard required by external training bodies.

Drive compliance of paperwork as required by external training bodies, and upload to the governing body once the course has been completed.

Responsible for providing training to the required standards of the business and external bodies.

Direct any leads to relevant sales teams.

Qualification and Experience Requirements

IPAF Operator Licence (preferred)

IPAF Instructor Licence 3a, 3b, 1b (preferred)

Driving Licence (essential)

IPAF Demonstrator Licence (preferred)

First Aid Certificate (preferred)

Excellent communication skills (essential)

Flexible with travel (essential)

Good presentation skills

Part of the Loxam Group, Nationwide Platforms are the UK's market leader in powered access with a fleet of 13,500 machines operating from 32 depots across the country, we have the operational capacity, experience and expertise to fully satisfy our customers working at height needs.

Employing 1,100 staff across the UK, we have an established workforce which supports an inclusive and diverse organisation. Nationwide Platforms strongly believe that equal opportunities for our existing and prospective employees is important, and continues to build upon our culture of respect, teamwork and excellence.

We pride ourselves on putting health and safety first in all of the products, services and support we provide. This all-embracing commitment to welfare and wellbeing is epitomised by our "Your Safety, Our Priority" programme.

For further information please contact the Recruitment Team on 01455 206808 or
