

Trainee Trades Person - Reading

[Apply Now](#)

Company: Acorn by Synergie

Location: Reading

Category: construction-and-extraction

Do you want to learn a specialist trade in construction with fantastic career progression and earning potential? Do you want to earn whilst you learn? This Trainee Sealant Repair Technician role based in Reading could be for you!

This is an opportunity to work for an established and well-respected family run construction company based in Caldicot, Monmouthshire with over 40 years of pedigree. It has steadily grown to be one of largest sealants specialists in the UK with seven offices across England, Scotland, and Wales.

Sealant repair is a specialist construction trade. The skills learnt will be with you for the rest of your life and have progression to progress further into the construction trade in future life.

The process involves great attention and eye for detail. Work can be intricate and often requires persistence and patience. Workers with this skill are in demand and enjoy excellent earnings as well as career progression.

The role:

* Successful applicants will be enrolled onto an internal training programme from day one as a Trainee Sealant Repair Technician. This will involve training in the company's dedicated

training facility initially before moving on to site.

* You will work alongside an established trade person to develop your sealant skills in a hands-on environment.

* Helping to prepare and make safe workspaces.

* A variety to your working day, every site will offer you the chance to develop different skills.

* This role is full-time working Monday to Friday approximately 8:00am - 4.30pm.

This opportunity offers fantastic career progression and salary increases upon successful completion of training.

This role offers a huge chance for a long-term career.

Previous construction experience is not essential. Anyone with an excellent attention to detail and takes real pride in their work would be perfect for this role. It is an extremely rewarding job to bring items back to life.

Essential skills:

* Full UK driving licence.

* No previous experience necessary.

* Interested in learning and progressing in a construction trade.

* Willing to learn.

* Conscientious.

* Eye for detail and colour.

Acorn by Synergie acts as an employment agency for permanent recruitment.
