Company: Project Management

Location: United Kingdom

Category: other-general

Transition & Training Manager | £450 | Inside IR35 | London/Remote + national travel | 6 Months

My client are looking for an experienced, self-starting and enthusiastic ERP Transition Manager to successfully deliver a training and cutover programme to enable the implementation of a third-party Enterprise Asset Management system.

The successful Consultant will be responsible for defining the training, transition and hyper care strategy, leading and co-ordinating the creation of training materials and defining the training plan ahead of delivering high quality training to upskill the business' multiple users nationwide.

As this role is nation-wide covering in excess of 1000 business users, it will require travel as the business demands.

Key skills and activities:

Experience with ERP or similar system training

Project & Change Management experience

Strong communication skills

Experience with hands-on field based delivery

Travel to UK wide training locations

Classroom and course logistics to include technical set-up and closedown

Management of delegate attendance and recording of absences

EAM data set-up prior to each training event

EAM course delivery - Desktop and/or Tablet

Collation of learning and training event evaluation
