We are looking for native speakers of a variety of languages to work on some Audio Evaluation tasks on UHRS! What is this task about? Easy Peasy! You just need to listen to some recordings and evaluate if the voices are clear or if there are noises, pauses, wrong pronunciation in your language, or any other issues. No experience is required. Purpose: it is aimed to improve the functioning of AI. Duration: it is a stable one-year project. You choose how much you want to work and when, also depending on task availability. What are the requirements? You have a good internet connection. A bad network can cause breaking up in the audio stream which could make it unclear if the issue is with the font or the network connection. You can complete this project from a PC or Laptop with good-quality headphones. You can complete this project on a quiet environment with no background noises. You are native speaker of Welsh. Interested? Join our TTS project today! Simply go to our website, and do the following steps: Create your OneForma Profile through this link: <https://my.oneforma.com/Account/login> Go to Jobs Tab Click on Judging/Grading Apply the project: TTS Voice Judging, with your language. Questions? Contact us at anita.glod@centific.com and we'll be happy to assist you. Look forward to meeting you in TTS project!
