**Do you want to have an impact in one of the busiest transportation hubs in Europe?**

**Are you searching for a new challenge in a profession that you find rewarding?**

**If yes, please continue reading.**

**We require a professional, pro-active and hands-on individual to form part of our Marine Operations team.**

### **About us**

The Port of Dover is Europe's busiest ferry port, handling 33% of UK-EU trade, worth £bn per annum. Each year more than 2 million freight vehicles, 2 million tourist vehicles and 10 million passengers pass through the Port. We also welcome more than cruise ships, cargo vessels and 4, leisure craft in our marina each year. But were not just about trade and transport. We have a vibrant and growing property portfolio and are transforming the waterfront with new amenities and activities that are making Dover a great place to live, work and enjoy under the famous white cliffs.

Providing the infrastructure to support this diverse and busy 24/7 operation requires a dedicated team of people working in a diverse range of roles. We are committed to developing the skills and industry knowledge of our employees to enhance performance and support the achievement of our business objectives.

### **Job summary**

The Tug Master is responsible for the safe and efficient operation of the vessels whilst at

sea or alongside and reports directly to the Marine Superintendent.

Your role will include responsibility for monitoring the maintenance of the vessel and ensuring that it remains in compliance with Class and Flag State requirements.

You will be proficient with operating the vessel in all weathers and managing the crew and their day-to-day activities.
