

United Kingdom Jobs Expertini®

UKI Senior Solution Consultant - SAP BPC

[Apply Now](#)

Company: Unilock Ltd

Location: United Kingdom

Category: business-and-financial-operations

ABOUT THE JOB

We are seeking a full time Pre-Sales Solutions Consultant to join our growing EMEA pre-sales team. This person will be (or be willing to become) an expert in OneStream's technology. On a daily basis, you will present the value proposition and benefits of our solutions to partners, prospects, customers and internally supporting our sales force in EMEA. You will participate in the design, validation, and presentation of OneStream XF's solutions based on customer needs. Previous experience as a Pre-Sales Consultant, Senior Services Consultant or Financial Systems Administrator is preferred. Must have the ability to lead technical discussions and identify the right solution for our customer's needs.

We are specifically looking for an individual who has in depth knowledge of SAP BPC (Outlooksoft), either as an implementation consultant, BPC administrator or as a Finance individual (with in depth knowledge of BPC).

WHAT ARE YOU SELLING?

The OneStream application encompasses the entire Enterprise Performance Management/Corporate Performance Management platform. The platform provides customers with solutions for Financial Close, Financial Data Integration, Enterprise Planning, Operational Planning, Profitability, Forecasting, Financial and Management Reporting.

RESPONSIBILITIES

Shortening the sales cycle by delivering flawless standard and custom product demonstrations to mid and c-level executives in the Office of Finance

Providing presales technical / functional support to prospective clients and customers, while

ensuring customer satisfaction with minimal supervision, through online sales efforts in a sales cycle

Acting as a technical resource for less experienced Sales Consultants, Sales Development and Sales representatives

Transforming business requirements/challenges into Proof of Concept presentations

Developing and delivering high quality OneStream XF presentations and demonstrations

Presenting and articulating advanced product features and benefits, product future direction and overall OneStream solutions

Improving/maintaining standard demo assets to ensure top-notch sales presentations

Designing, validating, and presenting OneStream Cloud solutions to include advanced product concepts and future direction

Developing and managing references through high quality technical, professional client relationships

Excellent communication skills are required.

DESIRED SKILLS AND EXPERIENCE

Formal Education and Certification

BS Degree or equivalent; advanced degree desirable in Computer Science, Technology or Finance related degree

Knowledge and Experience

5+ years of experience in EPM, ERP and Operational Planning including building, developing, and deploying applications

MUST HAVE in depth knowledge of SAP BPC

Prior technical experience with any of the following products is a plus:

SAP:- SAP BPC (Outlooksoft), SAP BOFC (Cartesis), SAP Analytics Cloud

Oracle:- HFM (Hyperion Financial Management), FDM (Financial Data Quality Management or UpStream) ,Hyperion Planning, Hyperion Essbase, FCCS, EPBCS, Oracle EPM Cloud

IBM:- IBM Planning Analytics (Cognos TM1), IBM Cognos Controller
