About us

Portfolio roles in north Wales

We have a number of GPs in north Wales that work a Portfolio role, whether that be a split between in and out of hours Primary Care, or working in a secondary care speciality.

We are able to support you to develop a Portfolio role between GP Out of hours and a Salaried GP role in a Health Board Practice. This could be working 2 days in a Health Board Practice, 1 evening and 1 weekend day in Out of Hours for example. There is opportunity's to take up work in Urgent Primary Care Centres or the Single Integrated Clinical Assessment and Triage (SICAT) based in the Welsh Ambulance Service Trust call centre to assess patients who call and direct them through the most appropriate pathway
