### Job Description

#### Valuation - Senior Surveyor

London

**£50k - £60k base plus car and bonus**

My client is an independent multi-practice firm of Chartered Surveyors, based in Central London. They are seeking a Chartered Surveyor to cover valuations across both Commercial and Residential.

The commercial valuations team is one of the fastest-growing within the company, so this is an exciting time to join.

They have extensive experience in providing the following services:

Retail Valuation

Office Valuation

Industrial Valuation

Mixed-Use Valuation

My client is also looking for someone who has had exposure to residential valuation, which might cover:

Apartments

Houses

Residential Blocks

Student Accommodation

Houses in Multiple Occupation (HMOs)

PRS Schemes

Properties with Secure Tenancies

Due to the expansion of the Valuations Department, an opportunity has arisen for a Chartered Surveyor, either experienced or recently qualified.

MRICS/FRICS

Registered Valuer

Excellent communication skills, both written and verbal, coupled with an eye for detail, a commitment to excellence and developing strong client relationships.

Positive attitude, fun and willing to learn with and to develop the team.

My client is looking for someone who has valuation experience, but also driven to network and business develop.

Salary and Benefits

Competitive salary reflecting market rates, professional expertise, and qualifications

Car allowance

Performance-based bonus system

25 days of annual leave, alongside Bank Holidays and Christmas and New Year breaks

Eligibility for pension scheme enrolment following the probationary period

Access to various insurance and benefit programs, among other offerings
