Company: Gobel & Partner Ltd

Location: West Midlands

Category: other-general

Are you a level 3 qualified vehicle technician looking for your next contract?

We are currently looking for a number of Trained Vehicle Technicians / Mechanics to join us on a specialist project that is shaping the EV world.

The opportunity

We are currently recruiting for Vehicle Technicians to work on an EDU/Battery prototype project based on-site at a large automotive manufacturer in Coventry.

On an initial 3-6-month contract, with potential for ongoing work, the Vehicle Technicians will be joining a team of skilled technicians, working on the Prototype projects.

To be a successful in this role, you will be focused on providing high quality service to our clients and you will have strong mechanical experience.

The right candidate will have:

- Proven experience working as a Vehicle Technician, Mechanic or similar.
- Level 3 qualification in vehicle mechanics or equivalent

- Strong attention to detail
- Ability to work to and follow set processes.
- Digital Torque Tooling Experience
- Proven experience working in an automotive environment.

Immediate starts available and full training will be provided.
