Vehicle Technicians

Location: Immingham

Shift Pattern: Monday-Friday, (Apply online only)

Pay Rate: £14-£17 p/h, negotiable depending on experience and qualifications

Contract Type: On-going work

Igloo is looking for skilled Vehicle Technicians to join our client's team in Immingham! Our client is one of the UK's leading automotive and logistics companies, with operations throughout the country.

The Role:

As a Vehicle Technician, you'll be at the heart of our client's mission, performing a variety of tasks that include:

* Warranty Recall Work: Undertake warranty recall work to ensure vehicle safety and reliability.

* Aftermarket Fitments: Enhance vehicles with aftermarket accessories and upgrades such as dual controls

* Vehicle Variety: Work on a diverse range of vehicles, each with its unique challenges.

* Auto electricals: rewiring & wiring electrical components to vehicles.

The Ideal Candidate:

We're searching for individuals who embody the following traits:

* Own Tools: Must be able to provide your own tools.

* Hardworking & Experienced: Demonstrate dedication and relevant experience.

* Experienced: Proficiency in working with vehicle engines.

* Certification: Hold a current Level 2, or Level 3 certificate.

* Full drivers licence held with no more than 6 points for minor offences
