We have an unmissable opportunity for a veterinary surgeon to join our small team in fabulous Barnstaple.

Pets just see people. They aren't biased and they don't discriminate. We take our inspiration from pets, and we value and respect difference in all its forms. Our aim is to reflect the diversity of the communities we operate in, and every colleague can help us achieve this.

We encourage our people to be themselves so even if your skills and experience don't perfectly align, if you think you can make a unique contribution through your values and behaviours, we want to hear from you!
