Company: Synchronised Solution

Location: Weymouth

Category: healthcare-practitioners-and-technical

Job description: Synchronised Solution is recruiting an Assistant Veterinary Surgeon to work in two lovely practices in Weymouth and Wool. One of the branches has excellent consulting facilities and the other is equipped with ultrasound, scopes and small MRI. Both practices feed into a nearby 24 hour hospital in Dorchester.

Both veterinary practices offer exceptional care. This position would be ideal for a good all-rounder, consulting in the morning and afternoon as well as performing surgeries at Wool. Wool is a partnered branch with three vets, certificate holders in medicine and surgery. You will have support from both Wool and the nearby 24 hour hospital. The successful candidate will have at least one year's experience, happy with sole charge and good consulting skills.

Location details: Weymouth is a seaside town in Dorset in southern England. Its sandy beach is dotted with colorful beach huts and backed by Georgian houses. Blue Flag winning Weymouth Beach is consistently recognised as one of the top ten beach destinations in Europe. However, Weymouth is much more than its majestic seafront, it offers fantastic restaurants with great sea food, great quality local produce and beautiful landscape. There are regular trains to major cities like London and Bristol.

Salary and benefits: This vacancy offers a very competitive package up to £55000 for the right candidate. The package includes a very competitive salary as well as permanent yearly accommodation allowance. A car is also provided or allowance as well as generous CPD with 3 days paid CPD leave and in house training allowance. VDS, RCVS, BVA fees paid. Exclusive retail, days out and holiday discounts available, childcare vouchers, cycle to work scheme, auto enrollment UK pension scheme and many other benefits including 5 weeks annual

leave and fantastic career progression opportunities.

Start date: We are looking for an experienced Veterinary Surgeon that can start ASAP.
