Warehouse Operative & Forklift Driver

Medway

6pm-6am – 4 nights on, 4 nights off (Nights only)

c.£25,250 + Overtime

Do you have a counterbalance and reach truck licence?

Do you have experience working in a mixed role including both forklift duties and general warehouse?

I am looking to recruit a Warehouse Operative who has forklift licences for both counterbalance and reach truck (in-house licences accepted) to join my client's team! A great opportunity to join a well-established, market-leading organisation in a fast-paced role!

Duties include:

Operating forklifts safely and efficiently

Order picking using IT systems

Loading and unloading lorries

Preparing products for production

Moving pallets around the warehouse

Ensuring the warehouse is kept clean and tidy

Any other duties required

The successful candidate will have / be:

Previous experience as Warehouse Operative

Both counterbalance and reach truck licences (in-house licences accepted)

Experience using computerised stock control systems

Strong attention to detail skills to ensure items are picked correctly

Organised and able to meet KPI targets

Physically fit in order to work long days and stand for long periods of time on occasions

This is a great opportunity for a Warehouse Operative to join our client's team! If you have a counterbalance AND reach truck licence, then this could be the role for you! Working for an organisation who offers a competitive salary, along with generous benefits and career progression opportunities.

This role is being handled by Bardley Briggs, Manufacturing, Engineering & Technical Specialist at Pearson Whiffin Recruitment
